

Superior Child Care

2020 – 2021

Little Cottonwood Canyon Child Care Card

Both Superior Child Care and the Alta Children’s Center have fabulous facilities, and since the mountains are so close together why not visit both?

We offer a childcare card that can be used throughout the entire season at either location!

Purchase it from our website, after that you will receive a confirmation e-mail, simply reply to us your first date of arrival. After that parents are set up with an app called “Brightwheel” to make reservations and track days on your card. It is super simple and easy!

*Covid Piece of mind. Should any pandemic close the resort a prorated refund will be issued back to the card used.

See you soon, Ilse
